

Your home is where your loved ones feel protected. But fire can spread in moments to destroy it. There's no time to react. All those well-preserved memories, the valuables handed down generations, your hard-earned comforts and luxuries – all go up in smoke in a matter of seconds. Moreover, your loved ones' lives could be in danger. Instant action against fire can help you prevent this. Introducing Fireguard - from the makers of Superbrands Aquaguard and Euroclean. This handy, compact fire extinguisher is light and easy to use. Activate it instantly to extinguish fire before it spreads.
